

## **Summary of Changes for EHC Supply Specification 24/25:**

### **New PGDs**

The Ulipristal 30mg tablet PGDs has been updated following a change to the Faculty of Sexual and Reproductive Health template. PGDs from 1<sup>st</sup> April 2024 are - Direction Numbers GCP 2023/01C (FRSH v2.0) and GCP 2023/02C (FRSH v2.1).

### **Training**

The requirement for Practitioners to attend an in person 'local EHC update' training session regarding the Service has been removed. The local EHC training session will proceed but attendance from 1<sup>st</sup> April 2024 will no longer be mandatory.
